**CHANDIGARH  
COLLEGE OF PHARMACY**  
Building Careers. Transforming Lives.

Our sole aim at Chandigarh College of Pharmacy, Landran is to produce globally accepted employable youth who can excel in Pharmacy field. Our motto is "Building Careers, Transforming Lives" Our group of colleges always remains in the process of building success in academics, quality placements, research, industry interface, international exposure and extra-curricular activities. We have a strong industry-institute interface and are endorsed by some of the most renowned companies like Sun Pharma GlaxoSmithKline, Cipla, Novartis, IDS Infotech, Astrazeneca, Dr Lal Path Lab, Eli Lilly. These associations with the top corporate/industries have made us take a leadership position in the professional education domain. Our objectives are clear and we are one of the top multidisciplinary institutes in all facets; academics, placements, sports, research, and development." I congratulate CCP library staff for the first edition of CCP library newsletter i.e. "PHARMAFLAIR"

**CHAIRMAN'S Message**

Professional education is the basic need of the society. I am delighted to state that Chandigarh college of Pharmacy, Landran is a premier institution of North India in providing quality education. Right from its inception, we aim to provide state-of-art infrastructure, futuristic facilities, and technical education to our students for best learning, teaching, research, and innovation experience. CCP has aligned with prestigious universities in Australia and other countries. Drug Discovery is inherently a multidisciplinary approach which requires knowledge of chemistry, biology, physics, and biostatistics. We have well-equipped laboratories, seminar halls, smart classes, auditorium along with separate boys and girls hostels, gymnasium and medical support with the best of facilities.

**President's Message**

**A LIBRARY IS INFINITY UNDER A ROOF**

I am confident that with the concerted efforts of team CGC, the group will scale up to the greater heights of excellence in the years to come. CGC plays a vital role in producing world-class engineers, pharmacists, and management professionals required to meet the demands of the fast-changing global society. Our vision is impacting society through globally competent technologists with the primary objective to provide a quality education through long-term value creation. The group is offering 30+ Undergraduate, 20+ Postgraduate, 3 Diplomas, AICTE, UGC, PCI, NCHM approved programs, with more than 13000+ students & over 1000 well-qualified faculties. We are committed to ensuring quality education and the majority of the programs are accredited by NBA.

### Campus Director's Message

Welcome to Chandigarh College of Pharmacy (CCP), Landran which is established under the aegis of Chandigarh Group of Colleges in 2005 with the aim of promoting excellence in Pharmaceutical education and research. Since its inception, CCP has been at the forefront of providing education in a highly professional set up adhering to global standards and setting bench marks for the industry.
